

# Welcome

# AGM 2019

# SAQCC Fire D&GS

AGM Report for  
the period of  
June 2018-June 2019

## VISION

The SAQCC-fire wishes to be the recognised authority registering all General and Further education level authorised (competent) persons in all fire industry segments. Obviously D&GS will concentrate on the Detection and Gas Suppression sector.

## MISSION STATEMENT

In order to achieve its vision the SAQCC fire will seek to obtain a mandate from the regulatory authority to qualify and certify (register) authorised (competent) persons in the fire industry in line with recognised National Standards. Sub-committees for all fire industry segments will be established in line with the current SAQCC fire structures.

## WHERE ARE WE

Sunset Clause Registration: A procedure has been proposed and has been accepted in principal by the committee. Several Courses have been submitted and vetted, and the following courses are now available:

### SAQCC DETECTION

#### Cabler:

- **Cabling and Conduit**
- **Safety and Workshop practice**

#### Installer:

- **Supplier Training 1, Conventional**
- **Safety and Fire Detection practical**
- **Fire Detection Principles**
- **Basic Electrical and Electronic theory**

## Commissioner/Serviceman:

- SANS 246
- SANS 322
- SANS 10139
- Supplier Training 2, Addressable Basic
- Supplier Training 3, Addressable Advanced

## Designer:

- Fire Detection Design course
- SANS 10139
- SANS 246

## SAQCC GAS SUPPRESSION:

As there are still outstanding courses required to complete all requirements, assessments are still taking place throughout the country when required.

### Pipefitter :

- No courses are available as of date

### Installer:

- Supplier Training, Inert Gasses
- Supplier Training, Chemical Agents
- There are still outstanding courses required to complete the Installer requirements

## Commissioner/Serviceman:

- SANS 306
- SANS 14520
- SANS 369
- There are still outstanding courses required to complete the Commissioner/Serviceman requirements

## Designer:

- SANS 14520
- There are still outstanding courses required to complete the Designer requirements

## WHERE TO FROM HERE

There is still a lot of work that needs to be carried out to complete the training curriculums.

There are ongoing meetings with QCTO to try to find the way forward and finalise where the D&GS will fit into the overall picture as far as the QCTO, SAQA and OFO.
